challenged assistance is required.

About St. Barnabas

St. Barnabas Health System is Pennsylvania's largest health care concern of its kind. In its 114th year, St. Barnabas is like no other - diverse and expansive - meeting the needs of young retirees through those who require hospice. St. Barnabas' spectrum of care includes four retirement communities, three living assistance facilities, two skilled nursing homes, a community outpatient medical center, and rehabilitation therapy.

Providing more than \$6 million in free care annually, St. Barnabas engages in innovative methods to raise money for its Free Care Fund such as The Jackie Evancho award in its Kean Quest Talent Search, The Kean Theatre, The Crystal Conservatories, Rudolph Auto Repair and Beautiful Buys Thrift Shoppes.
